I would remind you that a fine may be charged should a club not be represented at the league meeting, see **Other Charges** in DAWFL Rule 5.2.6. Please ensure someone attends to avoid fines being imposed. Only 1 representative per club is permitted to attend.

Screen names for Zoom meetings must be your club name for registration, failure to display your club name will result in non-attendance being recorded and the applicable fine issued.

Any of the Zoom meetings may change to face-to-face if the League Council deem it necessary, clubs will be informed with sufficient notice if this occurs.

Yours Sincerely
